

## FUND RAISING

The club hut fund has got off to a brilliant start. Jane and Alison raised £430.00 from the London Marathon. It was a lot of hard work fund raising and training, but well worth the effort. In total they raised £1930.00. The other £1500.00 went to Age Concern ready for their old age!!!!

Watch out for the fund raising events that will be coming up.

The first one is in September when

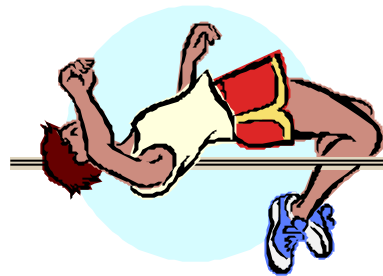

there will be a horse racing night, at Our Lady Church hall, where we have the presentations.

We would like companies or groups of people to sponsor the races at £20.00 a time, so start sussing people out and get their money off them. If you need any more info speak to Jane Ramsden or Alison Dale. Forget Ascot or Epsom Lincoln is the place to be.

## COACHING

We have got some great track and road coaches but we are falling down in our Throws and Jump coaches.

So did you do a bit of Throwing or Jumping in the past or still do and would like to pass on your experience to other people. You don't have to be a record breaker, I mean I'm not but the rewards from coaching are brilliant. It won't even cost you the club will pay for the course. So come on if you know someone that fits the bill ask them to speak to a committee member and we will sort them out.

If you have any thing you would like publishing in the Welly News, e.g. spikes to sell, lifts to meetings or races, then email [alison.dale@ntlworld.com](mailto:alison.dale@ntlworld.com)

This is for ALL club members.
