

# Lincoln Wellington Athletic Club

(Founded 1911)

Affiliated to:- UK Athletics, England Athletics, NoEAA, ECCCA, Lincolnshire AA

Dear Member/Supporter

## Important - please read

You will know that you have not been able to buy a Track Pass for the summer season. This is because CLS, who run Yarborough Sports Centre on behalf of the City Council, has changed its pricing structure and the way in which it collects its fees. They have done away with the Track Pass all together and have introduced new charges for the use of all of their facilities.

CLS would like to collect payment from all users of the sports centre. For those wishing to use the track this would be £3.10 per session and £1.60 for children. Anyone using the general Yarborough facility would be expected to pay a charge of £1 and this would apply to road runners. CLS have also introduced a charge of £55 for the use of the track for each session of two hours. On top of this they will be charging for additional facilities such as the use of equipment.

The Committee and coaches have decided to take control of the funding of our facilities. This will mean the club paying CLS on a monthly basis the cost of hiring the facilities it uses. From next year the club will introduce new charges to cover the membership and running costs of the club. In the meantime we shall be collecting the fees necessary to cover the running costs over the summer. These charges are summarised in the table below. We hope you will see that these represent a great saving to club members over the charges CLS would charge individuals. For example, a senior paying £35 for 31 weeks rather than (£6.20 x 31 weeks) £192.20!

We hope this will be the beginning of a new working relationship with CLS. You can be assured that the Committee will continue to push for the improvement of athletics facilities in the city. We are all well aware of the shortcomings of the facilities we have at present and want to see things change for the better very soon.

Thanks for your understanding and cooperation.

Kathleen Warhurst  
Chairman

Val Powley  
Secretary
