

Lincoln Wellington AC will have a team competing in Division Northern 1 South East of the National Young Athletes League this year. The League provides tremendous competitive opportunities for thousands of young athletes throughout the UK. In addition to being great fun the league also acts as one of the major developmental steps, preparing athletes for competition at the senior level.

One of the greatest things about the league is the team atmosphere it creates and the positive effect it has on the development and support of the club. Two LWAC athletes can compete in each event and each athlete can compete in 3 events and one relay at a meeting. All competitors score points, hence the need to have two athletes competing in each event. Please put the fixtures in your diaries and keep the dates free. These are excellent opportunities to represent the club, in a friendly environment and for coaches to monitor their athletes progress through the year. With two athletes competing in each event we will need a minimum of

6 under 13 boys,

6 under 13 girls,

7 under 15 girls

9 under 15 boys

11 under 17 girls

12 under 17 boys

We will endeavour to ensure athletes compete in at least 2 events and a relay or 3 events if they are agreeable.

Please complete the attached form and return it to me for the boys and Susan Mouzon for the girls.

For further information see the League website on www.natyal.co.uk

Parents – The club has to provide a minimum of 6 officials for each match, each official gains 10 points for their team score which could easily affect the final match result. The club is short of officials so if you are able to help or are willing to take an officials course then please contact Marie Phillips (club Officials Secretary).

Thank you
